SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached Form PTO-1449. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

Documents C178-C184 are copies of papers relating to an opposition proceeding against European Patent No. 0939121 and copies of these documents are submitted herewith. The opposed European patent is a divisional application of European Patent No. 4175631 (European Application No. 90116707.2), which is a priority document for the above-identified patent application. The oral hearing for this opposition was held October 27, 2006. The outcome of this hearing, which is not yet published and may be appealed, is that all claims are maintained in their allowed form except claim 11.

Documents C24, C103, C162, and C176 are repeated in the attached Form PTO-1449. The original listing of these references omitted some bibliographical information

regarding the document. Applicants believe that the citations are now complete. Copies of these documents have been submitted with previous Information Disclosure Statements.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure Statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

This information disclosure statement is filed after the mailing of a first office action on the merits. Enclosed please find a check in the amount of \$180.00 covering the fee set forth in 37 CFR 1.17(p) is enclosed. The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 13-2855, under Order No. 01017/40451B. A duplicate copy of this paper is enclosed.

Dated: February 27, 2007

Respectfully submitted,
